6 Parents Code of Conduct

7  
8 This code of conduct has been developed to clarify and distinguish approved and accepted parental  
9 behavior from that which is detrimental to the development of soccer within the Washington State Youth  
10 Soccer Association (WSYSA). All parents are encouraged to read and heed these conduct guidelines  
11 throughout the players participation in youth sports.

- 13 1. All children have more need for positive example than criticism.  
14  
15 2. I will make athletic participation for every player, coach and official a positive experience.  
16  
17 3. I will work to help relieve the pressure of competition, not add to it.  
18  
19 4. I will be positive to every child, even the opposing team, applauding their efforts, ideas and enthusiasm.  
20  
21 5. I will help my child learn to be a gracious winner and turn a loss into a positive experience.  
22  
23 6. I will be supportive and uncritical both on the sidelines and on the way home.  
24  
25 7. My child deserves a positive role model in the adults around them.
