Reorganization of Association

- Discussed whether reorganization of the Association would be beneficial to players and families.
- Noted that one reason that reorganization was presented previously was to use volunteers in most efficient manner as some tasks in the two clubs overlap and could be combined.
- Issue of non-select vs. premier players – maybe a division of clubs along those lines would be beneficial.
- Player numbers are down across the board. Discussed whether the focus should be on recruiting and building the number base rather than reorganization of the Association.
- Agreed that time and effort on reorganization was not the best allocation of time/resources at this time. Agreed to look at ways to increase players in the clubs instead.

MOD club & U11 Players

- Determined that MOD club did an excellent job transitioning the U10 teams to U11 last year.

President of FWSA

- President, Robert Lewis, indicated that he would be resigning his position in the near future.
- Members expressed appreciation for the time that he has dedicated to the Association and the clubs, but accepted his decision.

Registration for Teams not Affiliated with a Club

- There is a Parks Dept. team that wanted to participate in the Tracy Whitney Jamboree. Charged each player \$14 to register in order to be covered by state insurance. This should be looked at as a way to possibly help with increasing our demographics.

Complaint to District III re Altered Birth Certificate

- First evidence of altered birth certificate. Done so player had November birth date instead of April birth date and was eligible for younger age bracket. District III determined consequences for team and player.

October FWSA meeting set for October 8, 2014.

Meeting adjourned 8:55 pm.

Respectfully submitted,
Heather Hamashima
FWSA Secretary
