

Federal Way Mod Soccer Club

Policy 13

Revised April 13, 2009

Guidelines for Acceptance of Volunteers to Coach

All individuals that desire to coach in the Federal Way Mod Soccer Club must complete and submit a coaching application to the Club by the indicated deadline. Coaches must have a current Risk Management clearance, attend coaching clinic(s) and other activities as determined by the Club, and be in good standing with FWMSC and FWU in order to be a coach. Head Coach must be at least 18 years of age.

The Federal Way Mod Soccer Club Board may review all potential individuals who desire to coach a Mod Soccer Club team. At the Board's discretion, they may deny a potential individual the opportunity to be a coach, assistant coach, manager or team official. Decisions may be based on the following criteria, but are not limited to this criteria:

1. RMA - valid Risk Management Acceptance ("RMA") clearance from the Washington State Youth Soccer Association ("WSYSA");
2. Financial standing with the FWMSC and FWU;
3. Disciplinary actions,
4. Relationship with the FWMSC (ie adherence to deadlines, policies, etc.);
5. Recommendations by parents.

If the FWMSC Board determines that an individual should not be involved with a Mod Soccer Club team (ie coach, assistant coach, team manager or team official), the Board must vote on the issue. A simply majority of the Board is needed to take action.
